ISBN 978-5-7281-2330-9

Основная цель учебника — обеспечить развитие навыков чтения, говорения и письма на базе тщательно отобранного англоязычного материала. Учебник может рассматриваться и в качестве перспективного дополнительного ресурса для овладения публичной речью и политической (президентской) риторикой.

Структура учебника и логика изложения материала в нем позволяют проводить занятия в форме творческого диалога/полилога/дискуссии, что поможет студентам формировать самостоятельные высказывания с использованием соответствующих убеждающих стратегий, применять корректные языковые, смысловые и связующие средства риторического воздействия, совершенствовать вербальные и невербальные навыки ораторского искусства, принимать участие в дебатах.

Для студентов старших курсов гуманитарных направлений.
