Petrova T.

Fundamentals of General Chemistry. Terms and Problems in Tests : In 2 parts.
Part 2. Final examination tests : Study guide / T. Petrova, E. Starodubets;
The Ministry of Education and Science of the Russian Federation, Kazan National
Research Technological University. – Kazan : KNRTU Press, 2020. – 80 p.

ISBN 978-5-7882-2838-9
ISBN 978-5-7882-2840-2 (p. 1)

The Part 2 of the study guide contains variants of individual test tasks for monitoring the results of students learning upon completion of the discipline “General and Inorganic Chemistry”.

The study guide is intended for the Russian speaking first-year students learning in the educational program in the area 18.03.01 "Chemical Technology", who study the discipline “General and Inorganic Chemistry” in English, also to attract students from foreign countries to study in the framework of international educational programs.

The study guide was prepared at the Department of Inorganic Chemistry.
