Д53 Game management manual for the beginners in basketball officiating:

Handbook for basketball referees / Fedor Dmitriev, Mihail Grigoriev, Ildar Latypov. – Moscow: 2014. – 88 p.

This book is recommended for young and experienced referees. During the game it is very important to understand principles of the rules, their interpretations, spirit and feeling of the game. Psychology aspects and pregame conversations are ones of the main parts of referees' preparation. We hope that this book will help you to understand and feel the basketball game much better.
