Malko A. V., Subochev V. V., Fedorov G. V.

B29 Basics of Russian Law. Textbook. – Moscow : Prospekt, 2017. – 240 p.
ISBN 978-5-392-21764-9

This textbook presents in accessible form information necessary for comprehensive understanding of the basics of Russian law: theory of state and law, constitutional, civil, labour, administrative and criminal law.

It is based on the Russian legislation in force and the market practice, combining theoretical material, classical and modern doctrinal works, as well as the basics of the current legislation. The above will allow readers to obtain practically-oriented knowledge.

This textbook is intended for lawstudents, legalscholars, legal practitioners, as well as everyone who is interested in the basics of Russian law.
