Organisation's Responsibility and Quality Management : tutorial / R. I. Zinurova, A. R. Tuzikov; The Ministry of Education and Science of the Russian Federation, Kazan National Research Technological University. – Kazan : KNRTU Press, 2019. – 144 p.

ISBN 978-5-7882-2770-2

The tutorial will help graduate students majored in 27.04.02 «Quality Management», 27.04.06 «Organization and management of science consuming industries», 27.04.07 «High-tech technologies and economics of innovation» to study real practical cases and research work related to the specifics of implementing responsible policy in relation to employees of Russian companies, as well as show examples of best practices in the field of social responsibility of big businesses. The authors also proposed materials that reveal the problems of human capital development, and the principles of sustainable development of Russian enterprises. In addition, a circle of problems has been identified for the development of social responsibility of small and medium-sized businesses at the federal and regional levels. The tutorial also can be useful to undergraduates, graduate students, postgraduate students, scholars and universities' professors.

Prepared at the Department of Management and Entrepreneurship.
