Kashafutdinova L.

Basic knowledge about food and winemaking : methods handbook /
L. Kashafutdinova; The Ministry of Education and Science of the Russian
Federation, Kazan National Research Technological University. – Kazan :
KNRTU Press, 2017. – 104 p.

ISBN 978-5-7882-2152-6

The study aid presents texts and assignments on food industry, gives
information about winemaking process, its history and traditions. Aimed at
forming and improving the skills of reading, translating, speaking and writing on
the basis of working with thematic texts on the future specialty.

Intended for classroom and extracurricular work of the Bachelors getting
education on 19.03.02 ("Technology of Fermentation Productions and
Winemaking") in the Food Engineering Faculty.

Prepared at the Department of Foreign Languages for Professional
Communication.
