К60 Экономическая безопасность: Таможенный аспект. Economic security: Customs aspects [Электронный ресурс] : учеб. пособие /Н.А. Колесникова, Л.А. Томашевская. — 2-е изд., стер. — М. : ФЛИНТА, 2021. —274 с.

ISBN 978-5-9765-2826-0

Пособие состоит из четырех частей. Первые три части организованы по тематическому принципу (см. оглавление), четвертая часть содержит справочный материал по практической фонетике, словообразованию и практикум-гlossарий профильной лексики, для детальной проработки базовой лексики первой части. Ко всем сложным заданиям имеются ключи. Наличие ключей к диалогам-интервью позволяет организовать работу студентов в режиме самоконтроля в аудитории и дома.

Четко выдержанная система заданий обеспечивает контроль понимания, активизацию профессиональной терминологии и развитие умений в разных видах чтения и говорения на английском языке.

Задания предназначены для организации самостоятельной и аудиторной работы студентов, обучающихся по специальностям экономического и юридического профиля (уровень Intermediate, Upper Intermediate).
