## PREFACE.

---

THIS volume of the Catalogue of Greek Coins describes the coins of Peloponnesus, excepting only those of Corinth, which will appear in a subsequent volume.

In the Introduction, which like the body of the work is written by Dr. Percy Gardner, a brief historical sketch is given of the rise and extension of monetary issues in the Peninsula; and a table is added of the dates of mintage at various cities.

I have carefully revised the work, comparing each coin with the corresponding description.

REGINALD STUART POOLE.
