

BULLETIN

OF THE SOUTH URAL
STATE UNIVERSITY

SERIES

2024

Vol. 16, no. 2

“MATHEMATICS.
MECHANICS. PHYSICS”

ISSN 2075-809X (Print)
ISSN 2409-6547 (Online)

Vestnik Yuzhno-Ural'skogo Gosudarstvennogo Universiteta.
Seriya “Matematika. Mekhanika. Fizika”

South Ural State University

The main purpose of the series “Mathematics. Mechanics. Physics” is to promote the results of research in mathematics, mechanics and physics, as well as their applications in natural, technical and economic sciences.

Editorial Board

S.A. Zagrebina, Doctor of Physics and Mathematics, Professor, South Ural State University, Chelyabinsk, Russian Federation
E.V. Golubev, Candidate of Physics and Mathematics, Associated Professor, South Ural State University, Chelyabinsk, Russian Federation
V.P. Beskachko, Doctor of Physics and Mathematics, Professor, South Ural State University, Chelyabinsk, Russian Federation
V.I. Zalyapin, Candidate of Physics and Mathematics, Associated Professor, South Ural State University, Chelyabinsk, Russian Federation
Yu.M. Kovalev, Doctor of Physics and Mathematics, Professor, South Ural State University, Chelyabinsk, Russian Federation

Editorial Council

A.V. Bogomolov, Doctor of Engineering, Professor, State Scientific Center of the Russian Federation – A.I. Burnazyan Federal Medical Biophysical Center, the Russian Federal Medical-Biological Agency, Moscow, Russian Federation
G.L. Brovko, Doctor of Physics and Mathematics, Professor, Moscow State University, Moscow, Russian Federation
V.D. Buchelnikov, Doctor of Physics and Mathematics, Professor, Chelyabinsk State University, Chelyabinsk, Russian Federation
D. Guidetti, Full Professor of Mathematical Analysis, University of Bologna, Bologna, Italy
V.I. Zhukovsky, Doctor of Physics and Mathematics, Professor, Moscow State University, Moscow, Russian Federation
S.V. Zelik, Doctor of Physics and Mathematics, Professor, University of Surrey, Guildford, United Kingdom
A.I. Korotkii, Doctor of Physics and Mathematics, Professor, Institute of Mathematics and Mechanics, Ural Branch of the Russian Academy of Sciences, Ekaterinburg, Russian Federation
Jaewan Kim, Ph. D., Professor, Korea Institute for Advanced Study KIAS, Seoul, South Korea
Kisik Kim, Ph. D., Professor, INHA-University, Incheon, South Korea
N.D. Kundikova, Doctor of Physics and Mathematics, Professor, Institute of Electrophysics, Ural Branch of the Russian Academy of Sciences, Ekaterinburg, Russian Federation
V.V. Menshikh, Doctor of Physics and Mathematics, Professor, Voronezh Institute of Russian Ministry of Internal Affairs, Voronezh, Russian Federation
S.I. Pinchuk, Doctor of Physics and Mathematics, Professor, Indiana University, Bloomington, United States of America
Y.S. Puzyrev, Ph. D., Assistant Professor, Vanderbilt University, Nashville, United States of America
N.K. Ravshanov, Doctor of Engineering, Professor, Tashkent University of Information Technologies, Tashkent, Uzbekistan
A.V. Trukhanov, Doctor of Physics and Mathematics, Associated Professor, Scientific Practical Materials Research Centre of NAS of Belarus, Minsk, Republic of Belarus
L.V. Utkin, Doctor of Engineering, Professor, Peter the Great St. Petersburg Polytechnic University, St. Petersburg, Russian Federation
I. Verpoest, Dr. ir., Professor, Catholic University, Leuven, Belgium
V.A. Strauss, Doctor of Physics and Mathematics, Professor, University of Simon Bolivar, Caracas, Venezuela
