OXFORD: HORACE HART, PRINTER TO THE UNIVERSITY

THE Lectures of which this volume is composed were written for delivery to some young students of philosophy, and are now printed with the hope of interesting a larger number of them. By Platonism is meant not Neo-Platonism of any kind, but the leading principles of Plato's doctrine, which I have tried to see in close connexion with himself as he is presented in his own writings.

W. P.

CONTENTS

LECTURE	PAGE
