THE Incidents of Travel now presented to the Public precede, in point of time, the Author's Tour in Egypt, Arabia Petræa, and the Holy Land. He has reason to believe that part of his route, particularly from the Black Sea to the Baltic, through the interior of Russia, and from St. Petersburgh through the interior of Poland to Warsaw and Cracow, is comparatively new. As in his first work, his object has been to present a picture of the every-day scenes which occur to the traveller in the countries referred to, rather than any detailed description of the countries themselves.

Nov. 1838.
